

Association for Achievement and
Improvement through Assessment

Leading in learning through Assessment

- **High quality learning and teaching**
- **The central role of assessment in the learning process**
- **Motivated, engaged learners and teachers**

Are these important to you?

If so, why not join the Association for Achievement and Improvement through Assessment (AAIA)?

- AAIA is a highly respected voluntary organisation, supporting and helping to develop the principled use of assessment for learning (AfL) and promoting best practice in all aspects of assessment
- Members represent education professionals working in schools and Local Authorities (LAs) as well as independent advisers, consultants and researchers
- Their expertise and experience covers all phases from Early Years through to secondary
- Read about the benefits that membership offers you overleaf

Leading in learning through assessment

Our vision is:

- All learners are successful learners
- All learning communities value effective assessment

Our aim

- To secure effective practice within the education community

The Association does this by:

- Being an independent organisation
- Valuing the significant range and diversity of members' experience
- Providing opportunities to develop and share practice through regional and national groups and the annual conference
- Keeping members up to date with local, national and international developments
- Encouraging and facilitating action research
- Addressing members' interests through producing and sharing publications
- Providing and maintaining a highly valued, popular website
- Sustaining an informed and challenging dialogue with governmental and other organisations
