### Outline of plans for the region for 2018/19

Main aim: Succession planning within the region.

We plan to raise the awareness of AAIA further in the SW through opening up part (the afternoon) of the Spring meeting to non-members so they can experience for themselves some of the CPD we provide for each other within the group at each meeting. Through this we hope they will actually JOIN and attend future meetings. Previously the conferences in SW have been successful in raising money and raising awareness but the number of eventual AAIA memberships applied for thereafter have not reflected the popularity generated and the number of members attending regional meetings has fallen
