Expected outcome from the region's work this year

Increase the capacity of local schools working in structured Learning Communities to promote high quality CPD for themselves in key aspects of what makes a difference to teachers, learners and accurate assessment in classrooms

Estimate of financial support required (to inform AAIA financial planning)

SW Event will be taking place this year and a break even budget is being planned with any surplus being passed to AAIA. Therefore, we are not expecting to draw from central AAIA funds.

Other meeting venues to be costed and approved in advance where possible.
